

# ORDER YOUR ENGRAVED PAVER

for the "Wall of Honor" at the Ft. Miles Museum  
LEWES, DELAWARE

Now you can support the new Ft. Miles Museum, receive a tax deduction and have your name or that of a loved one honored on a handsome brick paver.

Each engraved paver will be prominently displayed in Battery #519, America's first WWII museum at an actual military site.

More than 10,000 visitors each year will see your paver, and we will send a tribute card to whoever you designate, telling them of this special honor.

The tax-deductible cost for each paver is just \$200, including delivery and installation in a well-lighted entrance area.

This first phase of the "Wall of Honor" will accommodate just 500 pavers and orders are being accepted on a first-come basis. Be sure to reserve your paver now by returning the form below.

## About Fort Miles

America's first on-site WWII museum is located on the Atlantic Ocean at the mouth of the Delaware Bay, where massive armament was secretly installed during WWII to turn back possible invasions by German naval forces and protect the key port of Philadelphia.

Prominently displayed at the museum is one of Battery 519's two 12" cannons, large enough to propel a shell 17 miles, as well as searchlights powerful enough to light the beach of Cape May, NJ. Visitors can climb a coastal tower and tour an actual "cantonment" where soldiers lived and worked - an active city of 2,500 men and women. The coastal towers along the Delaware shoreline were the "eyes" of Ft. Miles - strategically placed to triangulate readings if enemy ships were located. Your donation to the "Wall of Honor" helps support the Ft. Miles Museum.
